Stage 2 Water Restrictions

On Tuesday March 12th, 2024, Corpus Christi entered into Stage 2 restrictions of the Drought Contingency Plan. As a wholesale customer of Corpus Christi Water, Nueces County Water Control & Improvement District 4 will enact the same restrictions.

Beginning Monday, March 18th, enforcement for not following Stage 2 water restrictions will begin. Enforcement can include service disconnect with increasing reconnect costs, eventually ending with service interruption without reconnect until approved by the appeal board.

1. Who do Stage 2 Water Restrictions apply to? Restrictions apply to all customers of Nueces County Water Control & Improvement District No. 4, Including users in Corpus Christi, Aransas Pass, and Port Aransas.
2. When and what times of the day can I water? Watering with irrigation system or sprinklers is allowed one day every two weeks with no watering on that day between 10 am and 6 pm. Restrictions will begin on March 18th as a watering week and will be allowed on your regularly scheduled day. March 25th will begin a non-watering week; April 1st will begin a watering week and so forth with alternating weeks.

The irrigation zones are as follows.

- A. Tuesdays- North of Access Rd 1A
- B. Wednesday- Between Access Rd 1A and Access Rd 1
- C. Thursday- South of Access Rd 1 to South of Cinnamon Shores North
- D. Friday- South of Cinnamon Shores North to south of Island Park Estates.

Watering with a hand-held hose with a shut-off nozzle, a bucket, or drip irrigation are allowed any day, at any time, barring the excessive use of water.

3. Can I wash my car? Yes. If washing your car at home, it must be with a bucket or a hose with a shutoff nozzle attached, do not allow excessive runoff. Commercial car washes are not affected at this time.
4. Can I fill my pool? Yes
5. Are there exceptions to the restrictions? Yes, exemptions may be granted, after review and approval by staff. Reasons for exemptions may include new plantings, vegetable gardens, athletic playing field. Visit ncwid4.org, click on "I Want To" and follow steps to submit an application for exemption or variance.
6. What if I have a water well? These restrictions do not apply to irrigating with well water, effluent, or and aerobic septic system.
