The Bonds shall bear interest on the unpaid principal amounts from the Dated Date, or from the most recent Interest Payment Date (hereinafter defined) to which interest has been paid or duly provided for, to Stated Maturity or prior redemption, while Outstanding, at the rates per annum shown in the above schedule (calculated on the basis of a 360-day year of twelve 30-day months). Interest on the Bonds shall be payable on February 1 and August 1 in each year (each, an *Interest Payment Date*), commencing August 1, 2026.

SECTION 3: Payment of Bonds - Paying Agent/Registrar. The principal of, premium, if any, and interest on the Bonds, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable, without exchange or collection charges to the registered owners of the Bonds (the *Holder* or *Holder*s), appearing on the Security Register (hereinafter defined) maintained by the Paying Agent/Registrar (hereinafter defined), in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of, premium, if any, and interest on the Bonds shall be without exchange or collection charges to the Holder of the Bonds.

The selection and appointment of BOKF, NA, Dallas, Texas (the *Paying Agent/Registrar*), to serve as the initial Paying Agent/Registrar for the Bonds is hereby approved and confirmed, and the District agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment, and transfer of the Bonds, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached, in substantially final form, as Exhibit A hereto, and such reasonable rules and regulations as the Paying Agent/Registrar and the District may prescribe. The District covenants to maintain and provide a Paying Agent/Registrar at all times while the Bonds are Outstanding, and any successor Paying Agent/Registrar shall be (i) a national or state banking institution or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and authorized by law to serve as a Paying Agent/Registrar.

The District reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or order terminating such agency. Additionally, the District agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Bonds by United States Mail, first-class postage prepaid, which notice shall also give the address of the corporate trust office of the successor Paying Agent/Registrar.

Principal of, premium, if any, and interest on the Bonds, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Bonds appearing on the Security Register maintained on behalf of the District by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest on the Bonds, (ii) on the date of surrender of the Bonds for purposes of receiving payment of principal thereof at the Bonds' Stated Maturity or upon redemption of the Bonds, and (iii) on any date for any other purpose. The District and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Bond for purposes of receiving payment and all other purposes whatsoever, and neither the District nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of, and premium, if any, on the Bonds shall be payable only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its corporate trust office. Interest on the Bonds shall be paid to the Holder whose name appears in the Security Register at the close of business on the fifteenth day of the month next preceding an Interest Payment Date for the Bonds (the *Record Date*) and shall be paid (i) by check sent on or prior to the appropriate date of payment

by United States Mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense.

If the date for the payment of the principal of, premium, if any, or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Bonds was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first-class postage prepaid, to the address of each Holder of a Bond appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

A. Mandatory Redemption of Bonds. The Bonds stated to mature on August 1, 2055 are referred to herein as the "Term Bonds". The Term Bonds are subject to mandatory sinking fund redemption prior to their stated maturities from money required to be deposited in the Bond Fund for such purpose and shall be redeemed in part, by lot or other customary method, at the principal amount thereof plus accrued interest to the date of redemption in the following principal amounts on August 1 in each of the years as set forth below:

Term Bonds
Stated to Mature
on August 1, 2055

<u>Year</u>	<u>Principal Amount (\$)</u>
2054	685,000
2055	715,000

*Payable at Stated
Maturity.

The principal amount of a Term Bond required to be redeemed pursuant to the operation of such mandatory redemption provisions shall be reduced, at the option of the District, by the principal amount of any Term Bonds of such Stated Maturity which, at least 50 days prior to the

mandatory redemption date (1) shall have been defeased or acquired by the District and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District with money in the Bond Fund, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth below and not theretofore credited against a mandatory redemption requirement.

B. Optional Redemption. The Bonds having Stated Maturities on and after August 1, 2031 shall be subject to redemption prior to Stated Maturity, at the option of the District, on August 1, 2030 or on any date thereafter, as a whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

C. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the District shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the District to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the District.

D. Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Bonds to be redeemed, provided that if less than the entire principal amount of a Bond is to be redeemed, the Paying Agent/Registrar shall treat such Bond then subject to redemption as representing the number of Bonds Outstanding which is obtained by dividing the principal amount of such Bond by \$5,000.

E. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first-class postage prepaid, in the name of the District and at the District's expense, by the Paying Agent/Registrar to each Holder of a Bond to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*). Additionally, this notice may also be sent by the District to any registered securities depository and to any national information service that disseminates redemption notices.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be

redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Bond (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on said Bonds (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue, and such Bonds shall not be deemed to be Outstanding in accordance with the provisions of this Order.

If a Bond is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on the Bond (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue and such Bonds shall not be deemed to be Outstanding.

F. Transfer/Exchange of Bonds. Neither the District nor the Paying Agent/Registrar shall be required (1) to transfer or exchange any Bond during a period beginning forty-five (45) days prior to the date fixed for redemption of the Bonds or (2) to transfer or exchange any Bond selected for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond which is subject to redemption in part.

SECTION 5: Execution - Registration. The Bonds shall be executed on behalf of the District by the President, Board of Directors, under the seal of the District reproduced or impressed thereon and attested by its Secretary, Board of Directors. The signature of any of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who were, at the time of the Bond Date, the proper officers of the District shall bind the District, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Bonds to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Bond shall be entitled to any right or benefit under this Order, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified or registered and delivered.

SECTION 6: Registration - Transfer - Exchange of Bonds - Predecessor Bonds. A Security Register relating to the registration, payment, transfer, or exchange of the Bonds shall at all times be kept and maintained by the District at the corporate trust office of the Paying

Agent/Registrar, and the Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Bonds, or, if appropriate, the nominee thereof. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond authorized in Section 7 hereof) at the corporate trust office of the Paying Agent/Registrar, the District shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds executed on behalf of, and furnished by, the District of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount and interest rate as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange upon surrender of the Bonds to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Bonds are so surrendered for exchange, the District shall execute, and the Paying Agent/Registrar shall register and deliver, the Bonds to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by United States registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the District, evidencing the same obligation to pay, and entitled to the same benefits under this Order, as the Bonds surrendered upon such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Bonds, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Bonds shall include any Bond registered and delivered pursuant to Section 31 in lieu of a mutilated, lost, destroyed, or stolen Bond which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

SECTION 7: Initial Bonds. The Bonds herein authorized shall be initially issued as a single fully registered Bond in the aggregate principal amount of \$12,000,000 with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or as one (1) fully-registered Bond for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the *Initial Bonds*) and, in either case, the Initial Bonds shall be registered in the name of the Purchasers or the designee

thereof. The Initial Bonds shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Bonds, the Paying Agent/Registrar, pursuant to written instructions from the Purchasers, or the designee thereof, shall cancel the Initial Bonds delivered hereunder and exchange therefor definitive Bonds of like kind and of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates on the unpaid principal amounts from the Bond Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, to Stated Maturity or prior redemption, and shall be lettered "R" and numbered consecutively from one (1) upward for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with and pursuant to such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8: Forms.

A. Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Order and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any Stated Maturities thereof, are insured and any reproduction of an opinion of Bond Counsel (hereinafter referenced)) thereon as may, consistent herewith, be established by the District or determined by the officers executing the Bonds as evidenced by their execution thereof. Any portion of the text of any Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds shall be typewritten, printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Bonds as evidenced by their execution thereof, but the Initial Bonds submitted to the Attorney General of the State of Texas may be typewritten or photocopied or otherwise reproduced.

Principal and premium, if any, of the Bond shall be payable to the Registered Owner hereof (the *Holder*) upon presentation and surrender, at the corporate trust office of the Paying Agent/Registrar. Interest shall be payable to the Holder of this Bond (or one or more Predecessor Bonds, as defined in the Order hereinafter referenced) whose name appears on the Security Register maintained by the Paying Agent/Registrar at the close of business on the Record Date, which is the fifteenth day of the month next preceding each Interest Payment Date. All payments of principal of, premium, if any, and interest on this Bond shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Interest shall be paid by the Paying Agent/Registrar by check sent on or before the appropriate date of payment by United States Mail, first-class postage prepaid, to the Holder hereof at the address appearing in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by the Holder hereof at the Holder's risk and expense.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$12,000,000 (the *Bonds*) pursuant to an order adopted by the governing body of the District (the *Order*), for the purposes of (i) acquiring, purchasing, constructing, improving, extending, renovating, enlarging, equipping, or repairing the District's utility system, and (ii) paying the costs of issuing the Bonds. The Bonds are authorized to be issued pursuant to the authority conferred by and in conformity with the laws of the State of Texas, particularly Chapters 49 and 51, as amended, Texas Water Code, and the Order.

The Bonds stated to mature on August 1, 2055 are referred to herein as the "Term Bonds". The Term Bonds are subject to mandatory sinking fund redemption prior to their stated maturities from money required to be deposited in the Bond Fund for such purpose and shall be redeemed in part, by lot or other customary method, at the principal amount thereof plus accrued interest to the date of redemption in the following principal amounts on August 1 in each of the years as set forth below:

Term Bonds Stated to Mature on August 1, 2055	
<u>Year</u>	<u>Principal Amount (\$)</u>
2054	685,000
2055	715,000

*Payable at Stated
Maturity.

The principal amount of a Term Bond required to be redeemed pursuant to the operation of such mandatory redemption provisions shall be reduced, at the option of the District, by the principal amount of any Term Bonds of such Stated Maturity which, at least 50 days prior to the mandatory redemption date (1) shall have been defeased or acquired by the District and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District with money in the Bond Fund, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth below and not theretofore credited against a mandatory redemption requirement.

The Bonds having Stated Maturities on or after August 1, 2031 may be redeemed prior to their Stated Maturities, at the option of the District, on August 1, 2030, or on date thereafter, in whole or in part, at the redemption price of par, together with accrued interest to the date of redemption, and upon thirty (30) days prior written notice being given by United States Mail, first-class postage prepaid, to Holders of the Bonds to be redeemed, and subject to the terms and provisions relating thereto contained in the Order.

If this Bond is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Bond to the Paying Agent/Registrar at its corporate trust office, a new Bond or Bonds of like Stated Maturity and interest rate in any authorized denominations provided in the Order for the then unredeemed balance of the principal sum hereof.

If this Bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption has been duly given, then upon such redemption date this Bond (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Bond is called for redemption, the District or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Bond within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Bonds of this series are special obligations of the District payable from, solely by a first and prior lien on and pledge of the net revenues (the *Net Revenues*) derived from the operation of the District's utility system (the *System*). In the Order, the District reserves and retains the right to issue Additional Parity Obligations and Inferior Lien Obligations (all as defined in the Order), without limitation as to principal amount but subject to any terms, conditions, or restrictions set forth in the Order or as may be applicable thereto under law or otherwise. In addition, the District also reserves the right to issue Special Facilities Bonds as defined in the Order, which will be payable from and secured by the proceeds of a contract or contracts with persons, corporations, municipal corporations, political subdivisions or other entities. The Bonds do not constitute a legal or equitable pledge, charge, lien, or encumbrance upon any property of the District or System, except with respect to the Net Revenues.

Notwithstanding any provision hereof or of the Order, if all the territory within the District is annexed by one or more cities and all debts, liabilities, and assets of the District, including this Bond, are assumed by such annexing city or cities, the pledge of and lien on the Net Revenues securing the payment of the Bonds shall terminate and the sources of payment of this Bond may be modified under Texas law.

The Holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Reference is hereby made to the Order, a copy of which is on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the Net Revenues of the System pledged for the payment of the Bonds; the terms and conditions under which the District may issue Additional Parity Obligations and Inferior Lien Obligations; the terms and conditions relating to the transfer or exchange of the Bonds; the

conditions upon which the Order may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the District and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Order. Capitalized terms used herein have the same meanings assigned in the Order.

This Bond, subject to certain limitations contained in the Order, may be transferred on the Security Register upon its presentation and surrender at the corporate trust office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and such transfer is noted on the Security Register by the Paying Agent/Registrar. When a transfer occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate or remaining principal amount will be issued to the designated transferee or transferees.

The District and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Bond as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any date as the owner hereof for all other purposes, and neither the District nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Bond in order to render the same a legal, valid, and binding special obligation of the District have been performed, exist, and have been done, in regular and due time, form, and manner, as required by the laws of the State of Texas and the Order, and that the issuance of the Bonds does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of, premium if any, and interest on the Bonds by a pledge of and lien on the Net Revenues of the System. In case any provision in this Bond or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Order shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the Board of Directors of the District has caused this Bond to be duly executed under the official seal of the District.

F. Insurance Legend. If bond insurance is obtained by the Purchasers or the District for the Bonds, the Definitive Bonds and the Initial Bonds shall bear an appropriate legend as provided by the bond insurer to appear under the following heading:

[BOND INSURANCE]

SECTION 9: Definitions. For all purposes of this Order (as defined below), except as otherwise expressly provided or unless the context otherwise requires: (i) the terms defined in this Section have the meanings assigned to them in this Section, and certain terms used in Sections 33 and 50 of this Order have the meanings assigned to them in such Sections, and all such terms include the plural as well as the singular; (ii) all references in this Order to designated “Sections” and other subdivisions are to the designated Sections and other subdivisions of this Order as originally adopted; and (iii) the words “herein”, “hereof”, and “hereunder” and other words of similar import refer to this Order as a whole and not to any particular Section or other subdivision.

A. The term *Additional Parity Obligations* shall mean (i) bonds, notes, warrants, or other evidences of indebtedness which the District reserves the right to issue or enter into, as the case may be, in the future under the terms and conditions provided in Section 19 of this Order and which are equally and ratably secured solely by a first and prior lien on and pledge of the Net Revenues of the System, and (ii) obligations hereafter issued to refund any of the foregoing as determined by the Board, if issued in a manner so as to be payable from and equally ratably secured by a first and prior lien on and pledge of the Net Revenues.

B. The term *Authorized Officials* shall mean the President of the Board, the Secretary of the Board, or the District Manager, or the Finance Director.

C. The term *Average Annual Debt Service Requirements* shall mean that average amount which, at the time of computation, will be required to pay the Debt Service Requirements on all outstanding Bonds Similarly Secured when due (either at Stated Maturity or mandatory redemption) and derived by dividing the total of such Debt Service Requirements by the number of Fiscal Years then remaining before Stated Maturity of such Bonds Similarly Secured. For the purposes of this definition, a fractional period of a Fiscal Year shall be treated as an entire Fiscal Year. Capitalized interest payments provided from bond proceeds and accrued interest on any Bonds Similarly Secured shall be excluded in making the aforementioned computation

D. The term *Bond Fund* shall mean the special fund created and established by the provisions of Section 13 of this Order.

E. The term *Bonds* shall mean the \$12,000,000 "NUECES COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER 4 UTILITY SYSTEM REVENUE BONDS, SERIES 2026" authorized by this Order.

F. The term *Bonds Similarly Secured* shall mean the the Bonds and any Additional Parity Obligations hereafter issued by the District or bonds issued to refund any of the foregoing if issued in a manner that provides that the refunding bonds are payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues.

G. The term *Closing Date* shall mean the date of physical delivery of the Initial Bonds in exchange for the payment in full by the Purchasers.

H. The term *District* shall mean the Nueces County Water Control and Improvement District Number 4, located in the Counties of Nueces, San Patricio and Aransas, Texas and, where appropriate, the Board of Directors of the District.

I. The term *Credit Facility* shall mean (i) a policy of insurance or a surety bond, issued by an issuer of policies of insurance insuring the timely payment of debt service on governmental obligations, provided that a national rating agency having an outstanding rating on any Bond would rate such Bond fully insured by a standard policy issued by the insurer in its highest generic rating category for such obligations, or (ii) a letter or line of credit issued by any financial institution, provided that a national rating agency having an outstanding rating on any Bond would rate such Bond in one of its two highest generic rating categories for such obligations if the letter or line of credit proposed to be issued by such financial institution secured the timely payment of the entire principal amount of such Bond and the interest thereon.

J. The term *Debt Service Requirements* shall mean as of any particular date of computation, with respect to any obligations and with respect to any period, the aggregate of the amounts to be paid or set aside by the District as of such date or in such period for the payment of the principal of, premium, if any, and interest (to the extent not capitalized) on or other payments due under such obligation, assuming, in the case of obligations without a fixed numerical rate, that such obligations bear interest or other payment obligations calculated by assuming (1) that such non-fixed interest rate for every future 12-month period is equal to the rate of interest reported in the most recently published edition of The Bond Buyer (or its successor) at the time of calculation as the "Revenue Bond Index" or, if such Revenue Bond Index is no longer being maintained by

The Bond Buyer (or its successor) at the time of calculation, such interest rate shall be assumed to be 80% of the most recently reported yield, as of the time of calculation, at which United States Treasury obligations of like maturity have been sold and (2) that, in the case of bonds not subject to fixed scheduled mandatory sinking fund redemptions, that the principal of such bonds is amortized such that annual debt service is substantially level over the remaining stated life of such bonds, and in the case of obligations required to be redeemed or prepaid as to principal prior to Stated Maturity according to a fixed schedule, the principal amounts thereof will be redeemed prior to stated maturity in accordance with the mandatory redemption provisions applicable thereto (in each case notwithstanding any contingent obligation to redeem bonds more rapidly). For the term of any interest rate hedge agreement entered into in connection with any such obligations, Debt Service Requirements shall be computed by netting the amounts payable to the District under such hedge agreement from the amounts payable by the District under such hedge agreement and such obligations.

K. The term *Depository* shall mean an official depository bank of the District.

L. The term *Fiscal Year* shall mean the twelve month accounting period used by the District in connection with the operation of the System which may be any twelve consecutive month period established by the District, which period presently commences on October 1 of each year and ends on the following September 30.

M. The term *Government Securities*, as used herein, shall mean (i) direct noncallable obligations of the United States, including obligations that are unconditionally guaranteed by, the United States of America; (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the governing body of the issuer adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent; (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the issuer adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent; or (iv) any additional securities and obligations hereafter issued by the laws of the State of Texas as eligible for use to accomplish the discharge of obligations such as the Bonds.

N. The term *Holder* or *Holder*s shall mean the registered owner, whose name appears in the Security Register, for any Bond.

O. The term *Inferior Lien Obligations* shall mean (i) any bonds, notes, warrants, or any similar obligations hereafter issued by the District that are payable wholly or in part from and equally and ratably secured by a lien on and pledge of the Net Revenues of the System, such pledge being junior and inferior to the lien on and pledge of the Net Revenues of the System that are or will be pledged to the payment of the Bonds and any Additional Parity Obligations hereafter issued by the District and (ii) obligations hereafter issued to refund any of the foregoing that are payable from and equally and ratably secured by a junior and inferior lien on and pledge of the Net Revenues as determined by the Board of Directors in accordance with any applicable law.

P. The term *Interest Payment Date* shall mean the date semiannual interest is payable on the Bonds, being February 1 and August 1 of each year, commencing August 1, 2026, while any of the Bonds remain Outstanding.

Q. The term *Maintenance and Operating Expenses* shall mean costs of operation, maintenance and necessary replacements to the System, the cost of insurance, the cost of supplies, costs incurred in providing water, and the payment of salaries and all other expenses properly incurred in operating and maintaining the System and keeping the same in good repair and operating condition, including any contract payments for the acquisition of water or other contract payments now or hereafter defined as operating expenses by the Texas Legislature. Depreciation shall never be considered as a Maintenance and Operating Expense.

R. The term *Net Revenues* shall mean all income and revenues from the operation of the System after the deduction of Maintenance and Operating Expenses.

S. The term *Order* shall mean this order adopted by the Board of Directors of the District on December 9, 2025.

T. The term *Outstanding* shall mean when used in this Order with respect to Bonds, as of the date of determination, all Bonds issued and delivered under this Order, except:

(1) those Bonds canceled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation in connection with the exchange or transfer of such obligations;

(2) those Bonds for which payment has been duly provided by the District in accordance with the provisions of Section 35 of this Order by the irrevocable deposit with the Paying Agent/Registrar, or an authorized escrow agent, of money or Government Securities, or both, in the amount necessary to fully pay the principal of, premium, if any, and interest thereon to maturity or redemption, as the case may be, provided that, if such Bonds are to be redeemed, notice of redemption thereof shall have been duly given pursuant to this Order or irrevocably provided to be given to the satisfaction of the Paying Agent/Registrar, or waived; and

(3) those Bonds that have been mutilated, destroyed, lost, or stolen and replacement Bonds have been registered and delivered in lieu thereof as provided in Section 31 of this Order.

U. The term *Previously Issued Parity Bonds* shall mean (i) the outstanding and unpaid obligations of the District that are payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues of the System and

(ii) any Additional Parity Obligations hereafter issued by the District or bonds issued to refund any of the foregoing if issued in a manner that provides that the bonds are payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues.

V. The term *Purchasers* shall mean the initial purchasers of the Bonds named in Section 32 of this Order.

W. The term *Required Reserve Amount* shall mean the amount required to be deposited and maintained in the Reserve Fund under the provisions of Section 15 of this Order.

X. The term *Required Reserve Fund Deposits* shall mean the monthly amounts required to be deposited and maintained in the Reserve Fund under the provisions of Section 15 of this Order.

Y. The term *Special Facilities Bonds* shall mean shall mean bonds which the District expressly reserves the right to issue in Section 21 of this Order.

Z. The term *Stated Maturity* shall mean the annual principal payments of the Bonds payable on August 1 of each year, as set forth in Section 2 of this Order.

AA. The term *System* shall mean all properties, facilities, and plants currently owned, operated, and maintained by the District for the supply, treatment and transmission of treated potable water and the District's sanitary sewer system including collection and disposal facilities, together with all future extensions, improvements, replacements and additions thereto; provided, however, that notwithstanding the foregoing, and to the extent now or hereafter authorized or permitted by law, the term System shall not mean to include facilities of any kind which are declared not to be a part of the System and which are acquired or constructed by or on behalf of the District with the proceeds from the issuance of "Special Facilities Bonds", which are hereby defined as being special revenue obligations of the District which are payable from and secured by other liens on and pledges of any revenues, sources or payments, not pledged to the payment of the Bonds Similarly Secured including, but not limited to, special contract revenues or payments received from any other legal entity in connection with such facilities.

SECTION 10: Pledge of Net Revenues. (a) The District hereby covenants and agrees that the Net Revenues of the System are hereby irrevocably pledged to the payment of the Bonds Similarly Secured, including the establishment and maintenance of the special funds created for the payment and security thereof, all as hereinafter provided; and it is hereby ordered that the Bonds Similarly Secured shall constitute a first and prior lien on the Net Revenues of the System and be valid and binding without any physical delivery thereof or further act by the District, and the lien created hereby on the Net Revenues of the System for the payment and security of the Bonds Similarly Secured shall be prior in right and claim as to any other indebtedness, liability or obligation of the District or the System.

(b) Chapter 1208, as amended, Texas Government Code, applies to the issuance of the Bonds and the pledge of Net Revenues granted by the District under subsection (a) of this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Net Revenues granted by the District is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in this pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, as amended, Texas Business & Commerce Code and enable a filing to perfect the security interest in this pledge to occur.

SECTION 11: Rates and Charges. The District hereby agrees and covenants to the holders of the Bonds Similarly Secured that it will at all times maintain rates and charges for water services furnished, provided, and supplied by the System to customers which shall be reasonable and nondiscriminatory and which will produce income and revenues sufficient to pay:

A. All Maintenance and Operating Expenses, depreciation, replacement and betterment expenses and other costs of the System.

B. The interest on and principal of the Bonds Similarly Secured as and when the same shall become due, and provide for the establishment and maintenance of the funds and accounts created for the payment and security of the Bonds.

C. The interest on and principal of the Inferior Lien Obligations, if any, as and when the same shall become due, and provide for the establishment and maintenance of the funds and accounts created for the payment and security of the Inferior Lien Obligations.

D. Any legal debt or obligation of the System as and when the same shall become due.

The District shall also fix and maintain rates and collect charges for the facilities and services afforded by the System, which will produce Net Revenues equal to at least 1.1 times the Debt Service Requirements due and payable on the outstanding Bonds Similarly Secured.

The District shall also determine within thirty (30) days after the end of each Fiscal Year whether it is in compliance with the requirements of the preceding paragraph. If it is not in such compliance, then the District will instruct its engineer to deliver recommendations to the District within thirty (30) days thereafter regarding recommended rates and charges which will permit it to be in such compliance, and the District shall implement the recommendations of its engineers within sixty (60) days thereafter. Within thirty (30) days after the implementation of such recommendations, the District shall direct its engineer to certify that the actions taken by the District at the direction of its engineer will be sufficient to permit the District to be in compliance within such Fiscal Year with the requirements of the preceding paragraph.

SECTION 12: Revenue Fund. There has been previously created and established and the District shall maintain a special fund entitled "Nueces County Water Control and Improvement District Number 4 System Revenue Fund" (the *Revenue Fund*) into which all revenues of every nature received from the operation of the System shall be deposited as received.

SECTION 13: Bond Fund – Surplus Bond Funds. For the sole purpose of paying the principal of and interest on the Bonds, there is hereby created and established and there shall be maintained a separate fund entitled "Nueces County Water Control and Improvement District Number 4 Utility System Revenue Bonds, Series 2026 Interest and Sinking Fund" (the *Bond Fund*).

Accrued interest, if any, received from the Purchasers of the Bonds shall be deposited into the Bond Fund. In addition, any surplus proceeds from the sale of the Bonds, including investment income thereon, not expended for authorized purposes shall be deposited in the Bond Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in such Fund from the Net Revenues of the System.

SECTION 14: Flow of Funds. The District hereby covenants and agrees that deposits into the Revenue Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

A. First: To the payment of all necessary and reasonable Maintenance and Operating Expenses or other expenses required by statute to be a first charge on and claim against the revenues of the System.

B. Second: To the payment of the amounts required to be deposited in the Bond Fund created and established for the payment of Debt Service Requirements on the Bonds Similarly Secured and the amounts required to be deposited in any reserve or contingency fund or account created for the payment and security of the Bonds Similarly Secured, and any other obligations or evidences of indebtedness issues or incurred that are payable from and secured by a prior and first lien on and pledge of the Net Revenues of the System, as the same becomes due and payable.

C. Third: To the payment of the amounts required to be deposited in the interest and sinking fund created and established for the payment of debt service requirements on the Inferior Lien Obligations and the amounts required to be deposited in any reserve or contingency fund or account created for the payment and security of the Inferior Lien Obligations, and any other obligations or evidences of indebtedness issues or incurred that are payable from and secured by a junior and inferior lien on and pledge of the Net Revenues of the System, as the same becomes due and payable.

Any Net Revenues remaining in the Revenue Fund after satisfying the foregoing payments or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other District purpose now or hereinafter permitted by law.

SECTION 15: Reserve Fund. To accumulate and maintain a reserve for the payment of the Bonds Similarly Secured (the *Required Reserve Amount*) equal to the Average Annual Debt Service Requirements (calculated on a Fiscal Year basis and determined as of the date of issuance of the Bonds or the most recently issued series of Additional Parity Obligations then Outstanding) for the Bonds Similarly Secured, the District hereby confirms the creation and establishment, and agrees to continue to maintain a separate and special fund or account known as the "Nueces County Water Control and Improvement District Number 4 Revenue Bond Reserve Fund (the *Reserve Fund*), which fund or account shall be maintained at the Depository. All funds deposited into the Reserve Fund (excluding earnings and income derived or received from deposits or investments which will be transferred to the Revenue Fund established in Section 12 of this Order during such period as there is on deposit in the Reserve Fund the Required Reserve Amount) shall be used solely for the payment of the principal of and interest on the Bonds Similarly Secured, when and to the extent other funds available for such purposes are insufficient, and, in addition, may be used to retire the last stated maturity or interest on the Bonds Similarly Secured.

Until the issuance of any Additional Parity Obligations, the Required Reserve Amount shall be \$742,753.34 (of which \$0.00 is already on deposit in the Reserve Fund), which shall be accumulated, if necessary, in the following manner. Beginning on or before the tenth day of the month next following the delivery of the Bonds to the Purchasers and on or before the tenth day of each following month until the Required Reserve Amount has been accumulated in the Reserve

Fund, the District covenants and agrees to deposit to the Reserve Fund from the Net Revenues of the System, or any other lawfully available funds, an amount not less than \$12,379.22 being the Required Reserve Fund Deposits.

As and when Additional Parity Obligations are delivered or incurred, the Required Reserve Amount shall be increased, if required, to an amount calculated in the manner provided in the first paragraph of this Section. Any additional amount required to be maintained in the Reserve Fund shall be so accumulated by the deposit of the necessary amount of the proceeds of the issue or other lawfully available funds in the Reserve Fund immediately after the delivery of the then proposed Additional Parity Obligations, or, at the option of the District, by the deposit of monthly installments, made on or before the tenth day of each month following the month of delivery of the then proposed Additional Parity Obligations, of not less than 1/60th of the additional amount to be maintained in the Reserve Fund by reason of the issuance of the Additional Parity Obligations then being issued (or 1/60th of the balance of the additional amount not deposited immediately in cash), thereby ensuring the accumulation of the appropriate Required Reserve Amount.

When and so long as the cash and investments in the Reserve Fund equal the Required Reserve Amount, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve Amount (other than as the result of the issuance of Additional Parity Obligations as provided in the preceding paragraph), the District covenants and agrees to cure the deficiency in the Required Reserve Amount by resuming the Required Reserve Fund Deposits to said fund or account from the Net Revenues of the System, or any other lawfully available funds, such monthly deposits to be in amounts equal to not less than 1/60th of the Required Reserve Amount covenanted by the District to be maintained in the Reserve Fund with any such deficiency payments being made on or before the tenth day of each month until the Required Reserve Amount has been fully restored. The District further covenants and agrees that, subject only to the prior payments to be made to the Bond Fund and as required by the orders authorizing the issuance of any Additional Parity Obligations hereafter issued by the District, the Net Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve Amount and to cure any deficiency in such amounts as required by the terms of this Order and any other order pertaining to the issuance of any Additional Parity Obligations.

During such time as the Reserve Fund contains the Required Reserve Amount, the District may, at its option, withdraw all surplus funds in the Reserve Fund in excess of the Required Reserve Amount and deposit such surplus in the Revenue Fund (including any escrow established for the final payment of any such obligations pursuant to Chapter 1207, as amended, Texas Government Code) or use such excess amount for any lawful purpose now or hereafter provided by law; provided, however, to the extent that such excess amount represents Bond proceeds, then such amount must be transferred to the Bond Fund.

To the extent permitted by law, the District expressly reserves the right at any time to fund the Reserve Fund at the Required Reserve Amount by purchasing a Credit Facility that will unconditionally obligate the insurance company or other entity to pay all, or any part thereof, of the Required Reserve Amount in the event funds on deposit in the Bond Fund are not sufficient to pay the debt service requirements on the Bonds Similarly Secured. All orders adopted after the date hereof authorizing the issuance of Additional Parity Obligations shall contain a provision to this effect.

In the event a Credit Facility issued to satisfy all or part of the District's obligation with respect to the Reserve Fund causes the amount then on deposit in the Reserve Fund to exceed the Required Reserve Amount, the District may transfer such excess amount to any fund or account established for the payment of or security for the Bonds Similarly Secured (including any escrow established for the final payment of any such obligations pursuant to Chapter 1207, as amended, Texas Government Code) or use such excess amount for any lawful purpose now or hereafter provided by law; provided, however, to the extent that such excess amount represents Bond proceeds, then such amount must be transferred to the Bond Fund.

Notwithstanding anything to the contrary contained in this Section, the requirements set forth above to fund the Reserve Fund in the amount of the Required Reserve Amount shall be suspended for any Bonds Similarly Secured (including with respect to the Bonds) for such time as the Net Revenues for each Fiscal Year are equal to at least 120% of the Average Annual Debt Service Requirements on all Bonds Similarly Secured outstanding. In the event that the Net Revenues for any Fiscal Year are less than 120% of the Average Annual Debt Service Requirements, the District will be required to commence making the deposits to the Reserve Fund as of the next Fiscal Year, as provided above, and to continue making such deposits until the earlier of (a) such time as the Reserve Fund contains the Required Reserve Amount or (b) the Net Revenues in each of two consecutive Fiscal Years have been equal to not less than 120% of the Average Annual Debt Service Requirements on all Bonds Similarly Secured then outstanding.

SECTION 16: Deficiencies - Excess Net Revenues.

A. If on any occasion there shall not be sufficient Net Revenues of the System (after making all payments pertaining to the Bonds Similarly Secured) to make the required deposits into the Bond Fund and the Reserve Fund, then such deficiency shall be cured as soon as possible from the next available unallocated Net Revenues of the System, or from any other sources available for such purpose, and such payments shall be in addition to the amounts required to be paid into these funds or accounts during such month or months.

B. Subject to making the required deposits to the Bond Fund and the Reserve Fund when and as required by any order authorizing the issuance of any Inferior Lien Obligations, the excess Net Revenues of the System may be used by the District for any lawful purpose.

SECTION 17: Payment of Bonds Similarly Secured. While any of the Bonds Similarly Secured are outstanding, the District Manager of the District or other Authorized Official, shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly each installment of interest on and principal of the Bonds Similarly Secured as such installment accrues or matures; such transfer of funds must be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds Similarly Secured at the close of the business day next preceding the date a debt service payment is due on the Bonds Similarly Secured.

SECTION 18: Investments. Funds held in any fund or account created, established, or maintained pursuant to this Order, at the option of the District, may be placed in time deposits, certificates of deposit, guaranteed investment contracts, or similar contractual agreements as

permitted by the provisions of the Public Funds Investment Act, as amended, Chapter 2256, Texas Government Code, or any other law, and secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, including investments held in book-entry form, in securities including, but not limited to, direct obligations of the United States of America, obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in indirect obligations of the United States of America, including, but not limited to, evidences of indebtedness issued, insured, or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, Farmers Home Administration, Federal Home Loan Mortgage Association, or Federal Housing Association; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund or account will be available at the proper time or times. Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 30 days of the date of passage of each order authorizing the issuance of the Bonds Similarly Secured. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the Bond Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 15, be credited to and deposited in the Revenue Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds.

SECTION 19: Issuance of Additional Parity Obligations. The District hereby expressly reserves the right, in addition to the right to issue obligations that are payable from and secured, in whole or in part, by a junior and inferior lien on and pledge of the Net Revenues, to issue Additional Parity Obligations payable from a first and prior lien on and pledge of the Net Revenues of the System. When duly authorized and issued in compliance with law and the terms and conditions hereafter stated, such Additional Parity Obligations shall be on a parity with the Bonds. The District covenants and agrees, however, it will not issue any Additional Parity Obligations unless:

A. except for a refunding to cure a default, the District is not then in default as to any covenant, condition or obligation prescribed by the orders or resolutions authorizing the issuance of the Bonds Similarly Secured;

B. each of the funds created solely for the payment of principal of and interest on the Bonds Similarly Secured contains the amounts of money then required to be on deposit therein;

C. The District obtains a certificate from the District Manager to the effect that, according to the books and records of the District, the Net Revenues of the System, for the preceding Fiscal Year or for any 12 consecutive months out of the 15 months immediately preceding the month the order authorizing the Additional Parity Obligations is adopted, are at least equal to one and one-fourth (1.25) times the Average Annual Debt Service Requirements for the payment of principal of and interest on all outstanding Bonds Similarly Secured after giving effect to the issuance of the Additional Parity Obligations then proposed. In making a determination of the Net Revenues, the District Manager may take into consideration a change in the rates and

charges for services and facilities afforded by the System that became effective not more than ninety (90) days prior to adoption of the order authorizing the issuance of the Additional Parity Obligations and, for the purposes of satisfying the Net Revenues test, make a pro forma determination of the Net Revenues for the period of time covered by the certification based on such change in rates and charges being in effect for the entire period covered by the District Manager's certificate;

D. the order authorizing the issuance of the Additional Parity Obligations provides for deposits to be made to the Bond Fund in amounts sufficient to pay the principal of and interest on such Additional Parity Obligations as the same mature; and

E. the order authorizing the issuance of the Additional Parity Obligations provides that the amount to be accumulated and maintained in the Reserve Fund shall be in an amount equal to not less than the Required Reserve Amount after giving effect to the issuance of the proposed Additional Parity Obligations, and provides that any additional amount to be maintained in the Reserve Fund shall be accumulated within sixty (60) months from the date the Additional Parity Obligations are delivered.

All such Additional Parity Obligations provided for in this Section, when issued in accordance with the above provisions, shall be payable from and equally and ratably secured by a first and prior lien on and pledge of the Net Revenues, and the provisions of this Order relating to the use of Net Revenues shall be applicable to such Additional Parity Obligations as though the same were a part of such original authorization.

The right to issue such other and further Additional Parity Obligations shall exist as often as the need therefor shall arise and so long as such Additional Parity Obligations are issued in compliance with law and the terms and conditions contained in this Order.

SECTION 20: Issuance of Inferior Lien Obligations. The District hereby expressly reserves the right to hereafter issue bonds, notes, warrants, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a junior and inferior lien on and pledge of the Net Revenues of the System.

SECTION 21: Special Facilities Bonds. The District further reserves the right to issue bonds in one or more installments for the purchase, construction, improvement, extension, replacement, enlargement or repair of water, sewer and/or drainage facilities necessary under a contract or contracts with persons, corporations, municipal corporations, political subdivisions, or other entities, such bonds to be payable from and secured by the proceeds of such contract or contracts. The District further reserves the right to refund such bonds and secure the payment of the debt service requirements on the refunding bonds in the same manner.

SECTION 22: Maintenance of System - Insurance. The District covenants, agrees, and affirms its covenants that while the Bonds Similarly Secured remain outstanding it will maintain and operate the System with all possible efficiency and maintain casualty and other insurance on the properties of the System and its operations of a kind and in such amounts customarily carried by municipal corporations in the State of Texas engaged in a similar type of business (which may include an adequate program of self-insurance); and that it will faithfully and punctually perform

all duties with reference to the System required by the laws of the State of Texas. All money received from losses under such insurance policies, other than public liability policies, shall be retained for the benefit of the holders of the Bonds Similarly Secured until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. Nothing in this Order shall be construed as requiring the District to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the District from doing so.

SECTION 23: Records and Accounts - Annual Audit. The District covenants, agrees, and affirms its covenants that so long as any of the Bonds Similarly Secured remain outstanding, it will keep and maintain separate and complete records and accounts pertaining to the operations of the System in which complete and correct entries shall be made of all transactions relating to the System, and that the Holders of the Bonds Similarly Secured or any duly authorized agent or agents of such Holders shall have the right to inspect the System and all properties comprising the same. The District further agrees that following (and in no event later than 180 days) the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Copies of each annual audit shall be furnished, without charge, to the (i) Executive Director of the Municipal Advisory Council of Texas at her office in Austin, Texas, or (ii) any subsequent Holder thereof. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

SECTION 24: Special Covenants. The District hereby further covenants that:

A. It has the lawful power to pledge the Net Revenues supporting the Bonds and has lawfully exercised this power under the laws of the State of Texas, including the power existing under Chapters 49 and 51, as amended, Texas Water Code;

B. The Bonds Similarly Secured shall be equally and ratably secured by a first and prior lien on and pledge of the Net Revenues of the System in a manner that one bond shall have no preference over any other bond;

C. Other than for the payment of the Bonds Similarly Secured, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the District or of the System;

D. As long as any Bonds, or any interest thereon, remain Outstanding, the District will not sell, lease, or encumber the System or any substantial part thereof (except as provided in Sections 19, 20, and 21 of this Order) provided that this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the System;

E. No free service of the System (except water provided to the District for municipal fire-fighting purposes, if any) shall be allowed, and, should the District or any of its agents or

instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the District out of funds from sources other than the revenues and income of the System; and

F. It will pay and discharge from time to time and before the same become delinquent all lawful debts and liabilities of the District and all lawful claims for rents, royalties, labor, materials or supplies which if unpaid might by law become a lien or charge upon any part of the System the lien of which would be prior to or interfere with the liens hereof, so that the priority of the liens granted hereunder shall be fully preserved in the manner provided herein; and the District will not create or suffer to be created any mechanic's, laborer's, materialman's or other lien or charge which might or could be prior to the liens hereof, or do or suffer any matter or thing whereby the liens hereof might or could be impaired; provided, however, that no such debts, liabilities or claims which might be used as the basis of a mechanic's, laborer's, materialman's or other lien or charge, shall be required to be paid so long as the validity of the same shall be contested in good faith by the District.

SECTION 25: Limited Obligations of the District. The Bonds Similarly Secured are limited, special obligations of the District payable from and equally and ratably secured solely by a first and prior lien on and pledge of the Net Revenues of the System, and the Holders thereof shall never have the right to demand payment of the principal or interest on the Bonds Similarly Secured from any funds raised or to be raised through taxation by the District.

SECTION 26: Security of Funds. All money on deposit in the funds or accounts for which this Order makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and money on deposit in such funds or accounts shall be used only for the purposes permitted by this Order.

SECTION 27: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the District covenants and agrees particularly that in the event the District (a) defaults in the payments to be made to the Bond Fund or the Reserve Fund or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Order, the Holders of any of the Bonds Similarly Secured shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the District and other officers of the District to observe and perform any covenant, condition, or obligation prescribed in this Order.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 28: Notices to Holders; Waiver. Wherever this Order provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first-class postage prepaid, to the address

of each Holder as it appears in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Order provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 29: Bonds Are Negotiable Instruments. Each of the Bonds authorized herein shall be deemed and construed to be a "security" and as such a negotiable instrument with the meaning of the Chapter 8 of the Texas Uniform Commercial Code.

SECTION 30: Cancellation. All Bonds Similarly Secured surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the District, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The District may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds Similarly Secured previously certified or registered and delivered which the District may have acquired in any manner whatsoever, and all Bonds Similarly Secured so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Bonds Similarly Secured held by the Paying Agent/Registrar shall be destroyed as directed by the District.

SECTION 31: Mutilated, Destroyed, Lost, and Stolen Bonds. If (1) any mutilated Bond Similarly Secured is surrendered to the Paying Agent/Registrar, or the District and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Bond Similarly Secured, and (2) there is delivered to the District and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the District or the Paying Agent/Registrar that such Bond has been acquired by a bona fide purchaser, the District shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond Similarly Secured of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Bond Similarly Secured has become or is about to become due and payable, the District in its discretion may, instead of issuing a new Bond, pay such Bond Similarly Secured.

Upon the issuance of any new Bond Similarly Secured or payment in lieu thereof, under this Section, the District may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Bond Similarly Secured issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond Similarly Secured shall constitute a replacement of the prior obligation of the District, whether or not the mutilated, destroyed, lost, or stolen Bond Similarly Secured shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Order equally and ratably with all other Outstanding Bonds Similarly Secured.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds Similarly Secured.

SECTION 32: Sale of Bonds at a Competitive Sale – Authorization of Official Bid Form Approval – Bond Proceeds. The Bonds authorized by this Order are hereby sold by the District to Robert W. Baird & Co. Incorporated, as the purchaser at a competitive sale (the *Purchasers*, having all of the rights, duties, and obligations of a Holder), in accordance with the provisions of an Official Bid Form (the *Official Bid Form*), dated December 9, 2025, attached hereto as Exhibit B and incorporated herein by reference as a part of this Order for all purposes, at the price of par, plus a net reoffering premium of \$64,727.65, less Purchasers' discount of \$185,869.40, and accrued interest in the amount of \$57,249.38, and is hereby approved and confirmed. The pricing and terms of the sale of the Bonds are hereby found and determined to be the most advantageous reasonably obtainable by the District. The Initial Bond shall be registered in the name of Robert W. Baird & Co. Incorporated. It is hereby officially found, determined, and declared that the Purchasers are the highest bidder for the Bonds whose bid, received as a result of invitations for competitive bids in compliance with applicable law, produced the lowest true interest cost to the District. Any Authorized Official is hereby authorized and directed to execute the Official Bid Form for and on behalf of the District and as the act and deed of the Board of Directors, and in regard to the approval and execution of the Official Bid Form, the Board of Directors hereby finds, determines and declares that the representations, warranties, and agreements of the District contained in the Official Bid Form are true and correct in all material respects and shall be honored and performed by the District. Delivery of the Bonds to the Purchasers shall occur as soon as practicable after the adoption of this Order, upon payment therefor in accordance with the terms of the Official Bid Form.

Proceeds from the sale of the Bonds shall be applied as follows:

(1) Accrued interest in the amount of \$57,249.38 received from the Purchasers shall be deposited into the Bond Fund.

(2) Proceeds derived from the sale of the Bonds in the amount of \$11,413,298.25, plus a District contribution in the amount of \$2,965,270.08 for a total deposit of \$14,378,568.33, shall be deposited with the Paying Agent for the redemption of the BAN in accordance with written instructions of an Authorized Official.

(3) The balance of the proceeds derived from the sale of the Bonds is hereby allocated by the District in the following manner: (1) \$185,869.40 to pay the remaining Purchasers' compensation, (2) \$465,560.00 to pay the costs of issuance, and (3) \$11,413,298.25 shall be deposited into the construction fund (the *Construction Fund*), created for the projects to be constructed with the proceeds of the Bonds. This Construction

Fund shall be established and maintained at the Depository and shall be invested in accordance with the provisions of Section 18 of this Order, but any money deposited into the Construction Fund shall not be commingled with any other funds of the District. Interest earned on the proceeds of the Bonds pending completion of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amount shall be expended in accordance with Section 13.

Furthermore, the District hereby ratifies, confirms, and approves in all respects (i) the District's prior determination that the Preliminary Official Statement was, as of its date, "deemed final" in accordance with the Rule (hereinafter defined) and (ii) the use and distribution of the Notice of Sale, Official Bid Form, and Preliminary Official Statement by the Purchasers in connection with the public offering and sale of the Bonds is hereby ratified, confirmed and approved in all respects. The final Official Statement, being a modification and amendment of the Preliminary Official Statement to reflect the terms of sale (together with such changes approved by any Authorized Official, any one or more of said officials), shall be and is hereby in all respects approved and the Purchasers are hereby authorized to use and distribute the final Official Statement, dated December 9, 2025, in the reoffering, sale and delivery of the Bonds to the public. The President and Secretary of the Board of Directors are further authorized and directed to manually execute and deliver for and on behalf of the District copies of the Official Statement in final form as may be required by the Purchasers, and such final Official Statement in the form and content manually executed by said officials shall be deemed to be approved by the Board of Directors and constitute the Official Statement authorized for distribution and use by the Purchasers. The proper officials of the District are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

SECTION 33: Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

"Closing Date" means the date of the initial delivery of the Bonds in exchange for the payment in full by the Purchasers.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of

- (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations;
- and
- (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The District shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the District receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the District shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent it will not cause the Bonds to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the District shall at all times prior to the last Stated Maturity of Bonds:

- (1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

- (2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or

indirectly with such Gross Proceeds, other than taxes of general application within the District or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except to the extent it will not cause the Bonds to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the District shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except to the extent it will not cause the Bonds to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the District shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Bonds.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the District shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The District shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The District shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the District may commingle Gross Proceeds of the Bonds with other money of the District, provided that the District separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the District shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The District shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the District shall pay to the United States out of the Bond Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The District shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the District shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

J. Bonds Not Hedge Bonds.

(1) The District reasonably expects to spend at least 85% of the spendable proceeds of the Bonds within three years after such Bonds are issued.

(2) Not more than 50% of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(3) The District reasonably expects to spend 85% of the spendable years after the date of issuance thereof.

K. Elections. The District hereby directs and authorizes any Authorized Official and Bond Counsel, either or any combination of the foregoing, to make such elections in the Certificate as to Tax Exemption or similar or other appropriate certificate, form, or document permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds. Such elections shall be deemed to be made on the Closing Date.

SECTION 34: Control and Custody of Bonds. The President of the Board shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Bonds pending their approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery of the Bonds to the Purchasers.

Furthermore, the President and Secretary of the Board, or the District Manager, either or all, are hereby authorized and directed to furnish and execute such documents relating to the District and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General and their registration by the Comptroller of Public Accounts and, together with the District's financial advisors, Bond Counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bonds to the Purchasers and the initial exchange thereof for definitive Bonds.

SECTION 35: Satisfaction of Obligation of District. If the District shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Order, then the lien on and pledge of the Net Revenues under this Order and all covenants, agreements, and other obligations of the District to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar or an authorized escrow agent, and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. In the event of a defeasance of the Bonds, the District shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, an independent accounting firm, or another qualified third party concerning the deposit of cash and/or Government Securities to pay when due, the principal of, redemption premium (if any), and interest due on any defeased Bonds. To the extent applicable, if at all, the District covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 35 hereof).

Any money so deposited with the Paying Agent/Registrar or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the District or deposited as directed by the District. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated

Maturity or applicable redemption date of the Bonds such money was deposited and is held in trust to pay shall upon the request of the District be remitted to the District against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the District expressly reserves the right to call the defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Bonds immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Bonds, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Bonds.

SECTION 36: Printed Opinion. The Purchasers' obligation to accept delivery of the Bonds is subject to its being furnished a final opinion of Norton Rose Fulbright US LLP, Austin, Texas, as Bond Counsel, approving certain legal matters as to the Bonds, said opinion to be dated and delivered as of the date of initial delivery and payment for such Bonds. Printing of a true and correct copy of said opinion on the reverse side of each of the Bonds, with appropriate certificate pertaining thereto executed by facsimile signature of the Secretary of the Board is hereby approved and authorized.

SECTION 37: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof, and neither the District nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 38: Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 39: Order a Contract; Amendments - Outstanding Bonds. The District acknowledges that the covenants and obligations of the District herein contained are a material inducement to the purchase of the Bonds. This Order shall constitute a contract with the Holders from time to time, shall be binding on the District and its successors and assigns, and shall not be amended or repealed by the District so long as any Bond remains Outstanding except as permitted in this Section. The District may, without the consent of or notice to any Holders, from time to time and at any time, amend this Order in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the District may, with the written consent of Holders holding a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Order; provided; however, that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way

modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition, or rescission.

SECTION 40: Benefits of Order. Nothing in this Order, expressed or implied, is intended or shall be construed to confer upon any person other than the District, Bond Counsel, the Paying Agent/Registrar, the Purchasers, and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Order or any provision hereof, this Order and all its provisions being intended to be and being for the sole and exclusive benefit of the District, Bond Counsel, the Paying Agent/Registrar, the Purchasers, and the Holders.

SECTION 41: Inconsistent Provisions. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 42: Construction of Terms. If appropriate in the context of this Order, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 43: Governing Law. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 44: Severability. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 45: Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 46: Authorization of Paying Agent/Registrar Agreement. The Board of the District hereby finds and determines that it is in the best interest of the District to authorize the execution of a Paying Agent/Registrar Agreement concerning the payment, exchange, registration, and transferability of the Bonds. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated herein by reference to the provisions of this Order.

SECTION 47: Public Meeting. It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code, and the Texas Water Code, as amended.

SECTION 48: Unavailability of Authorized Publication. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or, for any reason,

publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Order shall be given in such other manner and at such time or times as in the judgment of the District or of the Paying Agent/Registrar shall most effectively approximate such required publication and the giving of such notice in such manner shall for all purposes of this Order be deemed to be in compliance with the requirements for publication thereof.

SECTION 49: No Recourse Against District Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Bond or for any claim based thereon or on this Order against any official of the District or any person executing any Bond.

SECTION 50: Continuing Disclosure Undertaking.

A. Definitions.

As used in this Section, the following terms have the meanings ascribed to such terms below:

EMMA means the MSRB's Electronic Municipal Market Access system, accessible by the general public, without charge, on the internet through the uniform resource locator (URL) <http://www.emma.msrb.org>.

Financial Obligation means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that "financial obligation" shall not include municipal securities (as defined in the Securities Exchange Act of 1934, as amended) as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

MSRB means the Municipal Securities Rulemaking Board.

Rule means SEC Rule 15c2-12, as amended from time to time.

SEC means the United States Securities and Exchange Commission.

Undertaking means the District's continuing disclosure undertaking, described in Paragraphs B through E below, hereunder accepted and entered into by the District for the purpose of compliance with the Rule.

B. Annual Reports. The District shall file annually with the MSRB, (1) within six months after the end of each fiscal year of the District ending in or after 2025, financial information and operating data with respect to the District of the general type included in the final Official Statement authorized by Section 32 of this Order, being the information described in Exhibit D hereto, and (2) if not provided as part of such financial information and operating data, audited financial statements of the District, when and if available. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit D hereto, or such other accounting principles as the District may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the District commissions an audit of

such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the District shall file unaudited financial statements within such period and audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such financial statements becomes available.

If the District changes its fiscal year, it will file notice of such change (and of the date of the new fiscal year end) with the MSRB prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

C. Notice of Certain Events.

The District shall file notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

1. principal and interest payment delinquencies;
2. non-payment related defaults, if material;
3. unscheduled draws on debt service reserves reflecting financial difficulties;
4. unscheduled draws on credit enhancements reflecting financial difficulties;
5. substitution of credit or liquidity providers, or their failure to perform;
6. adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
7. modifications to rights of Holders of the Bonds, if material;
8. Bond calls, if material, and tender offers;
9. defeasances;
10. release, substitution, or sale of property securing repayment of the Bonds, if material;
11. rating changes;
12. bankruptcy, insolvency, receivership, or similar event of the District, which shall occur as described below;
13. the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

14. appointment of a successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material;
15. incurrence of a Financial Obligation of the District, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the District, any of which affect security holders, if material; and
16. default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the District, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District, and (b) the District intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The District shall file notice with the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with this Section by the time required by this Section.

D. Limitations, Disclaimers, and Amendments.

The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit that causes the Bonds to be no longer Outstanding.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The District may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the District so amends the provisions of this Section, the District shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

E. Information Format – Incorporation by Reference.

The District information required under this Section shall be filed with the MSRB through EMMA in such format and accompanied by such identifying information as may be specified from time to time thereby. Under the current rules of the MSRB, continuing disclosure documents submitted to EMMA must be in word-searchable portable document format (PDF) files that permit the document to be saved, viewed, printed, and retransmitted by electronic means and the series of

obligations to which such continuing disclosure documents relate must be identified by CUSIP number or numbers.

Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public through EMMA or filed with the SEC.

F. General Policies and Procedures Concerning Compliance with the Rule.

Because the issuance of the Bonds is subject to the provisions of the Rule and because the potential “underwriters” in a negotiated sale of the Bonds or the initial purchasers in a competitive sale of the Bonds may be subject to MSRB rules and regulations with respect to such sale (including certain due diligence and suitability requirements, among others), the District hereby adopts the General Policies and Procedures Concerning Compliance with the Rule (the “Policies and Procedures”), attached hereto as Exhibit E, with which the District shall follow to assure compliance with the Undertaking. The District has developed these Policies and Procedures for the purpose of meeting its requirements of the Undertaking and, in connection therewith, has sought the guidance from its internal staff charged with administering the District’s financial affairs, its municipal or financial advisors, its legal counsel (including its Bond Counsel), and its independent accountants (to the extent determined to be necessary or advisable). The Policies and Procedures can be amended at the sole discretion of the District and any such amendment will not be deemed to be an amendment to the Undertaking. Each Authorized Official is hereby authorized to amend the Policies and Procedures as a result of a change in law, a future issuance of indebtedness subject to the Rule, or another purpose determined by the Authorized Official to be necessary or desirable for or with respect to future compliance with the Undertaking.

SECTION 51: Book-Entry Only System.

The Bonds initially may be registered so as to participate in a securities depository system (the *DTC System*) with the Depository Trust Company, New York, New York, or any successor entity thereto (*DTC*), as set forth herein. Each Stated Maturity of the Bonds shall be issued (following cancellation of the Initial Bonds described in Section 7) in the form of a separate single definitive Bond. Upon issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Bonds shall be registered in the name of Cede & Co., as the nominee of DTC. The District and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit C (the *Representation Letter*).

With respect to the Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Bonds from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds (an *Indirect Participant*). Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or

any Depository Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Bonds, as shown on the Security Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Bond, of any amount with respect to principal of, premium, if any, and interest on the Bonds. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the District to make payments of principal, premium, if any, and interest on the Bonds, pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

In the event that (a) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason, or (c) DTC or the District determines that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify the Paying Agent/Registrar, DTC, and DTC Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Bonds shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the District, or such depository's agent or designee, and if the District and the Paying Agent/Registrar do not select such alternate securities depository system then the Bonds may be registered in whatever name or names the Holders of Bonds transferring or exchanging the Bonds shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 52: Reserved.

SECTION 53: Further Procedures. The officers and employees of the District are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the District all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the initial sale and delivery of the Bonds, the Paying Agent/Registrar Agreement, the Official Bid Form, and the Official Statement. In addition, prior to the initial delivery of the Bonds, any Authorized Official, and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Order or to any of the instruments authorized and approved by this Order necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Order and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Texas Attorney General's office. In case any officer of the

District whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 54: Contracts with Financial Advisor and Bond Counsel. The Board ratifies and confirms the prior engagement of SAMCO Capital Markets, Inc., as the financial advisor to the District (the *Financial Advisor*) and Norton Rose Fulbright US LLP, as bond counsel to the District (the *Bond Counsel*) and authorizes any Authorized Official, or their designees, to take all actions necessary to execute any necessary contract with the Financial Advisor and Bond Counsel, if appropriate. The District understands that under applicable federal securities laws and regulations that the District must have a contractual arrangement with its Financial Advisor relating to the sale, issuance, and delivery of the Bonds.

SECTION 55: District's Consent to Provide Information and Documentation to the Texas MAC. The Municipal Advisory Council of Texas (the *Texas MAC*), a non-profit membership corporation organized exclusively for non-profit purposes described in section 501(c)(6) of the Internal Revenue Code and which serves as a comprehensive financial information repository regarding municipal debt issuers in Texas, requires provision of written documentation regarding the issuance of municipal debt by the issuers thereof. In support of the purpose of the Texas MAC and in compliance with applicable law, the District hereby consents to and authorizes any Authorized Official, Bond Counsel to the District, and/or Financial Advisor to the District to provide to the Texas MAC information and documentation requested by the Texas MAC relating to the Bonds; provided, however, that no such information and documentation shall be provided prior to the Closing Date. This consent and authorization relates only to information and documentation that is a part of the public record concerning the issuance of the Bonds.

SECTION 56: Effective Date. This Order shall be in force and effect from and after its final passage, and it is so ordered.

Description of Annual Financial Information

The following information is referred to in Section 50 of this Order.

Annual Financial Statements and Operating Data

The financial information and operating data with respect to the District to be provided annually in accordance with such Section are as specified (and included in the Appendix or under the headings of the Official Statement referred to) below:

1. All quantitative financial information and operating data of the general type included in this Official Statement in “Appendix A – Financial Information Relating to Nueces County Water Control and Improvement District Number 4” and in “Appendix D – Financial Statements for the Fiscal Year Ended September 30, 2024”.

2. The District’s audited financial statements for the most recently concluded fiscal year or to the extent these audited financial statements are not available, the portions of the unaudited financial statements of the District appended to the Official Statement as Appendix D, but for the most recently concluded fiscal year.

Accounting Principles

The accounting principles referred to in such Section are generally accepted accounting principles for governmental units as prescribed by the Government Accounting Standards Board from time to time.

EXHIBIT E

General Policies and Procedures Concerning Compliance with the Rule

I. Capitalized terms used in this Exhibit have the meanings ascribed thereto in Section 50 of the Order. “Bonds” refer to the Bonds that are the subject of the Order to which this Exhibit is attached.

II. As a capital markets participant, the District is aware of its continuing disclosure requirements and obligations existing under the Rule prior to February 27, 2019, the effective date of the most recent amendment to the Rule (the “Effective Date”), and has implemented and maintained internal policies, processes, and procedures to ensure compliance therewith. Adherence to these internal policies, processes, and procedures has enabled underwriters in non-exempt negotiated sales and initial purchasers in non-exempt competitive sales to comply with their obligations arising under various MSRB rules and regulations concerning due diligence and findings of suitability, among other matters, regarding the District’s compliance with the Rule.

III. The District is aware that the Rule was amended as of the Effective Date (the *Rule Amendment*) and has accommodated this amendment by adding subparagraphs (15) and (16) to Section 50C of the Order, which provisions are a part of the Undertaking.

IV. The District is aware that “participating underwriters” (as such term is defined in the Rule) of the Bonds must make inquiry and reasonably believe that the District is likely to comply with the Undertaking and that the standards for determining compliance have increased over time as a result of, among others, the United States Securities and Exchange Commission’s Municipalities Continuing Disclosure Cooperation Initiative and regulatory commentary relating to the effectiveness of the Rule Amendment.

V. The District now establishes the following general policies and procedures (the “Policies and Procedures”) for satisfying its obligations pursuant to the Undertaking, which policies and procedures have been developed based on the District’s informal policies, procedures, and processes utilized prior to the Effective Date for compliance with the District’s obligations under the Rule, the advice from and discussions with the District’s internal senior staff (including staff charged with administering the District’s financial affairs), its municipal or financial advisors, its legal counsel (including Bond Counsel), and its independent accountants, to the extent determined to be necessary or advisable (collectively, the “Compliance Team”):

1. the District Manager of the District (the “Compliance Officer”) shall be responsible for satisfying the District’s obligations pursuant to the Undertaking through adherence to these Policies and Procedures;
2. the Compliance Officer shall establish reminder or “tickler” systems to identify and timely report to the MSRB, in the format thereby prescribed from time to time, the District’s information of the type described in Section 50B of the Order;
3. the Compliance Officer shall promptly determine the occurrence of any of the events described in Section 50C of the Order;

4. the Compliance Officer shall work with external consultants of the District, as and to the extent necessary, to timely prepare and file with the MSRB the annual information of the District and notice of the occurrence of any of the events referenced in Clauses 2 and 3 above, respectively, the foregoing being required to satisfy the terms of the Undertaking;
5. the Compliance Officer shall establish a system for identifying and monitoring any Financial Obligations, whether now existing or hereafter entered into by the District, and (upon identification) determining if such Financial Obligation has the potential to materially impact the security or source of repayment of the Bonds;
6. upon identification of any Financial Obligation meeting the materiality standard identified in Clause 5 above, the Compliance Officer shall establish a process for identifying and monitoring any District agreement to covenants, events of default, remedies, priority rights, or other similar terms under such Financial Obligation;
7. the Compliance Officer shall establish a process for identifying the occurrence of any default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any Financial Obligation, the occurrence of any of which reflect financial difficulties of the District; and
8. the Compliance Officer shall annually review these Policies and Procedures with the remainder of the Compliance Team, make any modifications on an internal document retained by the Compliance Officer and available to any “participating underwriter” (as defined in the Rule), if requested, and on the basis of this annual review (to the extent determined to be necessary or desirable), seek additional training for herself or himself, as well as other members of the District’s internal staff identified by the Compliance Officer to assist with the District’s satisfaction of the terms and provisions of the Undertaking.
