STAGE 2 WATER RESTRICTIONS

- Irrigation with a spray system is allowed every other Wednesday according to your zone.
- (ZONE 1-NORTH OF ACCESS RD 1 & ZONE 2- SOUTH OF ACCESS RD 1)
- Watering is not allowed between the hours of 10 am-6 pm.
- Watering of landscaped areas is permitted on any day using a hand-held hose with a positive shutoff nozzle, faucet-filled bucket or watering can of five gallons or less, or drip irrigation with a positive shutoff device.
- Variances may be granted for new planting up to 60 days (30 days with one renewal), food gardens, athletic fields, and botanical gardens.
- Cars can be washed on your property on your designated watering Wednesday.

Keep in mind that we are coming out of a drought and are still in an extreme water shortage, please be mindful of the value of water and considerate of your neighbors. Restrictions will be enforced.
